- Burmese

• Profile

I was born on 20 Feb 1998 at Dawei. I worked as a Full Stack Developer at ITVisiHub Group in Myanmar. I would like to make use of my technical skills and interpersonal skills to achieve company goals and customer satisfaction. I have strong confidence to work with the team. I have 4 years of hand on coding experience and including over 2 years of working experience.

• Education

- University of Computer Studies, Dawei
Fourth year (Computer Technology) By majoring in Computer Technology, I learned the basics of web programming and machine language there (Note - Unfortunately, my education was interrupted in 4th year due to the COVID and political situation since 2020)

Cerification

- Samsaung Tech Institute: Mobile Application Training 2016
- KMD Certificate of Competence (Photoshop CS6 ,Adobe Illustrator CS6, Adobe PageMaker 7.0, Microsoft office)
